Module 1 – Unit 1: Exploring the Topic

Past and Present Experience in Health Care

Think About It: What challenges does someone face when looking for a job in a new country? What challenges have you faced in the U.S.?

1. Think about your past jobs.
   a. What was your profession before you came to the U.S.?
   b. What training did you need for this job?
   c. What did you like about your job?
   d. What didn’t you like about your job?

2. Think about your job goals in health care.
   a. What kind of work are you doing now?
   b. What job would you like to have in the future? Why?
   c. What do you want to know about this job?
